- (g) provide an undertaking of compliance with the Act, these rules, and any directions issued by the Authority; and
- (h) demonstrate the financial and technical capacity to undertake the regulated activity, commensurate with the class of license applied for, including submission of audited accounts or proof of funds.

8. **Application process.**—(1) All applications for a license shall be submitted exclusively through the Authority's online licensing portal.

(2) The application process shall consist of the following steps, namely:—

- (a) Step 1: User Registration (with auto-verification of CNIC, Passport and NTN);
- (b) Step 2: License type and class selection;
- (c) Step 3: Upload of common documents as per Schedule-II (Part A);
- (d) Step 4: Upload of license-specific documents as per Schedule-II (Part B);
- (e) Step 5: Online payment of application and processing fees as per Schedule-III; and
- (f) Step 6: Digital submission and issuance of auto-generated Application ID.

(3) An applicant may track the status of their application in real-time through the portal.

9. **Processing and evaluation.**—(1) Upon submission, the Authority shall undertake:

- (a) **Document Scrutiny:** To verify the authenticity and completeness of the application within fifteen days;
- (b) **Security Clearance:** The application shall be forwarded to the relevant intelligence and law enforcement agencies, including ISI, IB, ANF, and NCCIA, for security vetting as per the proformae in

Schedule-IV. This process shall be completed within thirty days; and

- (c) **Technical evaluation and site inspection:** The Authority shall conduct a physical inspection of the proposed site and evaluate the applicant's technical capability, security plan and infrastructure within forty days.

(2) The Authority shall endeavor to complete the processing of a complete application and grant or refuse the license within sixty days of its submission.

10. **Grant of license.**—(1) If the Authority is satisfied that the applicant meets all requirements, it shall grant the license.

(2) The license shall be a high-security document, issued in digital and physical form, containing—

- (a) a unique, auto-generated, non-replicable alphanumeric code;
- (b) a dynamic QR code for real-time verification of license status (Active, Suspended, Revoked, Expired); and
- (c) tamper-proof digital signature of the competent authority.

(3) A register of all licenses granted, suspended, revoked or expired shall be maintained by the Authority and published on its official website.

CHAPTER-4

FINANCIAL OBLIGATIONS

11. **Fees.**—(1) Every applicant shall pay the fees as prescribed in **Schedule-III.**

(2) The fee structure includes—

- (a) application processing fee (non-refundable);
- (b) license issuance fee; and
- (c) annual renewal fee.

(3) All fees shall be payable in Pakistani Rupees.

12. **Contribution to the Fund.**—A licensee shall pay to the Authority an amount equivalent to two percent of its annual revenues to the Fund in accordance with the provisions of sub-section (5) of section 22 of the Act. The mode, timeline, and verification mechanism for this payment shall be specified by the Authority by regulations.

CHAPTER-5

RIGHTS AND OBLIGATIONS OF LICENSEES

13. **General conditions of license.**—(1) A license shall be non-transferable.

(2) A licensee shall at all times comply with the conditions of the license, the provisions of the Act, and these rules and regulations.

(3) The licensee shall maintain complete and accurate records of all regulated activities, including a seed-to-sale traceability log, which shall be made available for inspection by the Authority or its authorized officers at any time. Records shall be maintained in both hard and soft copy, with CCTV footage retained for a minimum of one year.

(4) The licensee shall allow unrestricted access to the licensed premises to the Authority, or any other authorized agency with the prior consent of the Authority for inspection, monitoring, and audit.

(5) Any proposed change in the ownership, control, or key managerial personnel of the licensee, or in the licensed premises, shall require prior written approval of the Authority.

14. **Specific conditions for cultivation licenses.**—(1) All cultivation sites shall have GPS-tagged land parcels and GIS mapping overlays.

(2) Only certified seed varieties, approved by the Authority, shall be used.

(3) Quarterly crop audits and mandatory THC or CBD profiling shall be conducted at CCRA-notified laboratories.

15. **Specific conditions for processing, extraction, and manufacturing licenses.**—(1) Licensees shall comply with Good Manufacturing Practices (GMP) and Good Agricultural and Collection Practices (GACP) as applicable and as determined by the Authority.

(2) Facilities shall have vault-grade storage for extracts, round the clock surveillance, and real-time inventory reporting to the Authority.

(3) For pharmaceutical manufacturing, compliance with applicable drug licensing requirements under the Drug Regulatory Authority of Pakistan Act, 2012 (XXI of 2012), is mandatory.

16. Specific conditions for transportation and logistics.—Transportation of cannabis and its derivatives shall only be conducted—

- (a) in GPS-tracked vehicles with route approval from the Authority;
- (b) with a complete chain-of-custody log; and
- (c) with appropriate security measures commensurate with the nature and quantity of the cargo.

17. Record keeping and reporting.—(1) Every licensee shall maintain an up-to-date inventory of all cannabis, hemp, and derivatives, from receipt or production to dispatch or destruction.

(2) The licensee shall submit such periodic reports to the Authority in the format and frequency as may be prescribed by regulations.

CHAPTER-6

COMPLIANCE, PENALTIES, AND DISPUTE RESOLUTION

18. Inspection and Monitoring.—(1) The Authority, or any officer authorized by it, may enter and inspect any licensed premises at any time, with or without prior notice, to ensure compliance with the Act, rules and regulations.

(2) Licensees and their staff shall extend full cooperation during such inspections. Any obstruction or non-cooperation shall constitute a violation of these rules.

19. Penalties and administrative sanctions.—(1) If a licensee violates any condition of the license or any provision of these rules, the Authority may have recourse to any one or more of the following, namely:—

- (a) issuance of a warning or compliance order;
- (b) imposition of a monetary fine under section provided under section 26;
- (c) suspension of the license for a specified period; and
- (d) revocation of the license.

(2) No action under sub-rule (1) shall be taken without providing the licensee an opportunity of being heard, except in cases where immediate action is required to prevent a threat to public health, safety, or national security.

20. Suspension and revocation of license.—The Authority may suspend or revoke a license if the licensee—

- (a) has obtained the license through misrepresentation or fraud;
- (b) has violated any material condition of the license or any provision of the Act or these rules;
- (c) has been convicted of an offense under the Act or any other law for the time being in force;
- (d) fails to pay the prescribed fees or the amount under sub-section (5) of section 22 of the Act; and
- (e) ceases to carry on the regulated activity for which the license was granted.

21. Dispute resolution mechanism.—(1) Any grievance or dispute arising out of the interpretation or implementation of these rules or the terms of a license shall first be referred, in writing, to a Grievance Redressal Committee (GRC). The GRC shall be constituted by the Director General and shall consist of the Director Operations and two other members nominated by the Director General. The GRC shall endeavour to resolve the grievance within thirty days.

(2) A representation against the decision of the GRC shall lie to the Director General, whose decision, after providing an opportunity of being heard, shall be final, subject to the provisions of the Act.

CHAPTER-7

MISCELLANEOUS

22. Coordination with law enforcement agencies.—The Authority shall hold quarterly coordination meetings with the nominated focal persons of the Intelligence Bureau (IB), Inter-Services Intelligence (ISI), Anti-Narcotics Force (ANF), and other relevant agencies to ensure effective intelligence sharing and regulatory oversight.
